Picking Up and Dropping Off Policy

Our commitment

Our club is committed to providing a safe environment for the participation of children and young people. Part of this is ensuring that children and young people are supervised by a responsible adult, and not left alone before and after practice or competitions.

What we will do

- Make sure parents/guardians and children know the time and location of practice and when they can expect to collect their children.
- Request coaches and other personnel to arrive on time for scheduled practice.
- Give coaches a register of parent/guardian emergency contact numbers and make sure they have access to a phone.
- Ensure that if parents/guardians are late, coaches will try to contact them and:
 - ask the second to last child and their parent/ guardian to wait with the coach/official and the child
 - get parents/guardians to collect their children from the training venue.
 - avoid transporting children to their homes unless permission has been given by parents/guardians.

What we ask you to do

- Drop off and Pick up your children on time or make other arrangements.
- Inform the coach about any changes in arrangements for picking up your child.
- Do not leave children alone at a venue, please make sure there is adult supervision.

Please read and understand this policy and abide by it as a member of Calisthenics Buderim Inc.
